Dashboard displays important information, such as to-do items, and a calendar. To-do items can be filtered by type (such as only meetings, assignments, quizzes, etc.)

The left pane contains a list of all groups and contacts for the user, and the upper left displays the user's username and their profile picture. The user can also return to the dashboard by clicking the home icon, which is highlighted blue to indicate they are currently on the dashboard.

Bio Message

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

Clicking on the people label on the left pane displays all of the user's contacts.

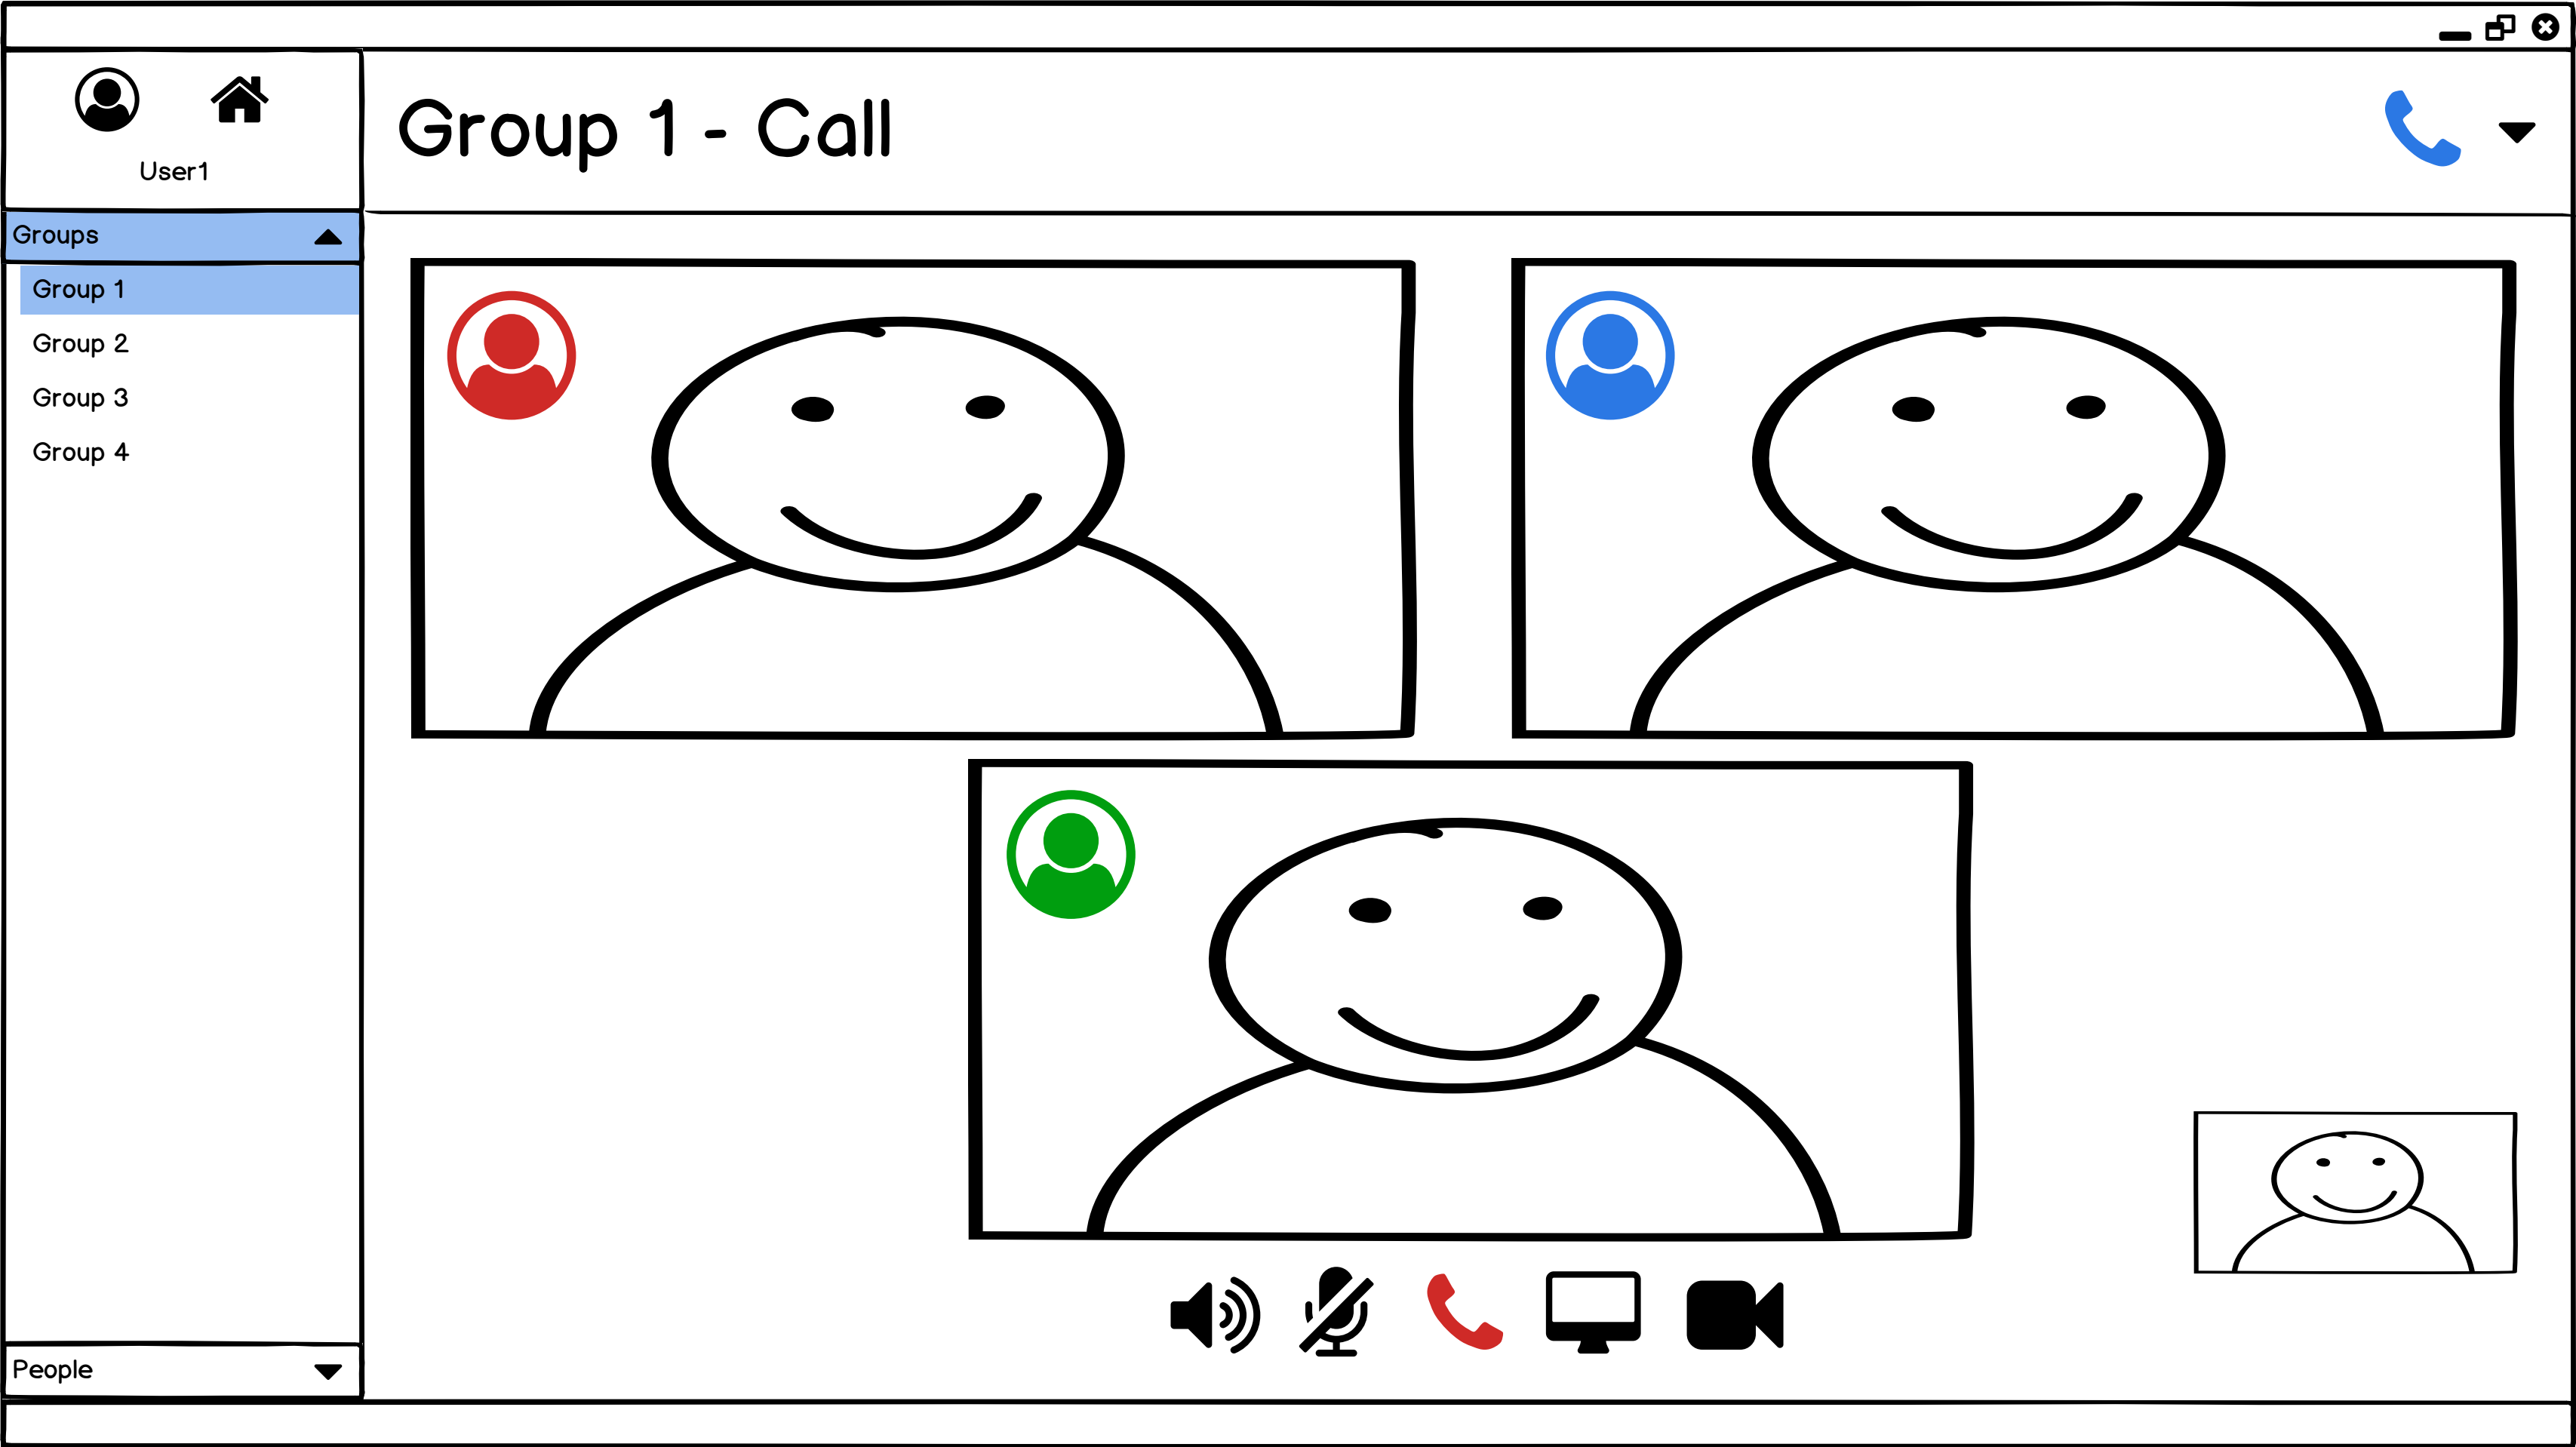

Clicking on a group on the left pane brings the user to the group's chat, and gives access to other group info through the icon in the top right. Also, the currently selected group is highlighted in the left pane.

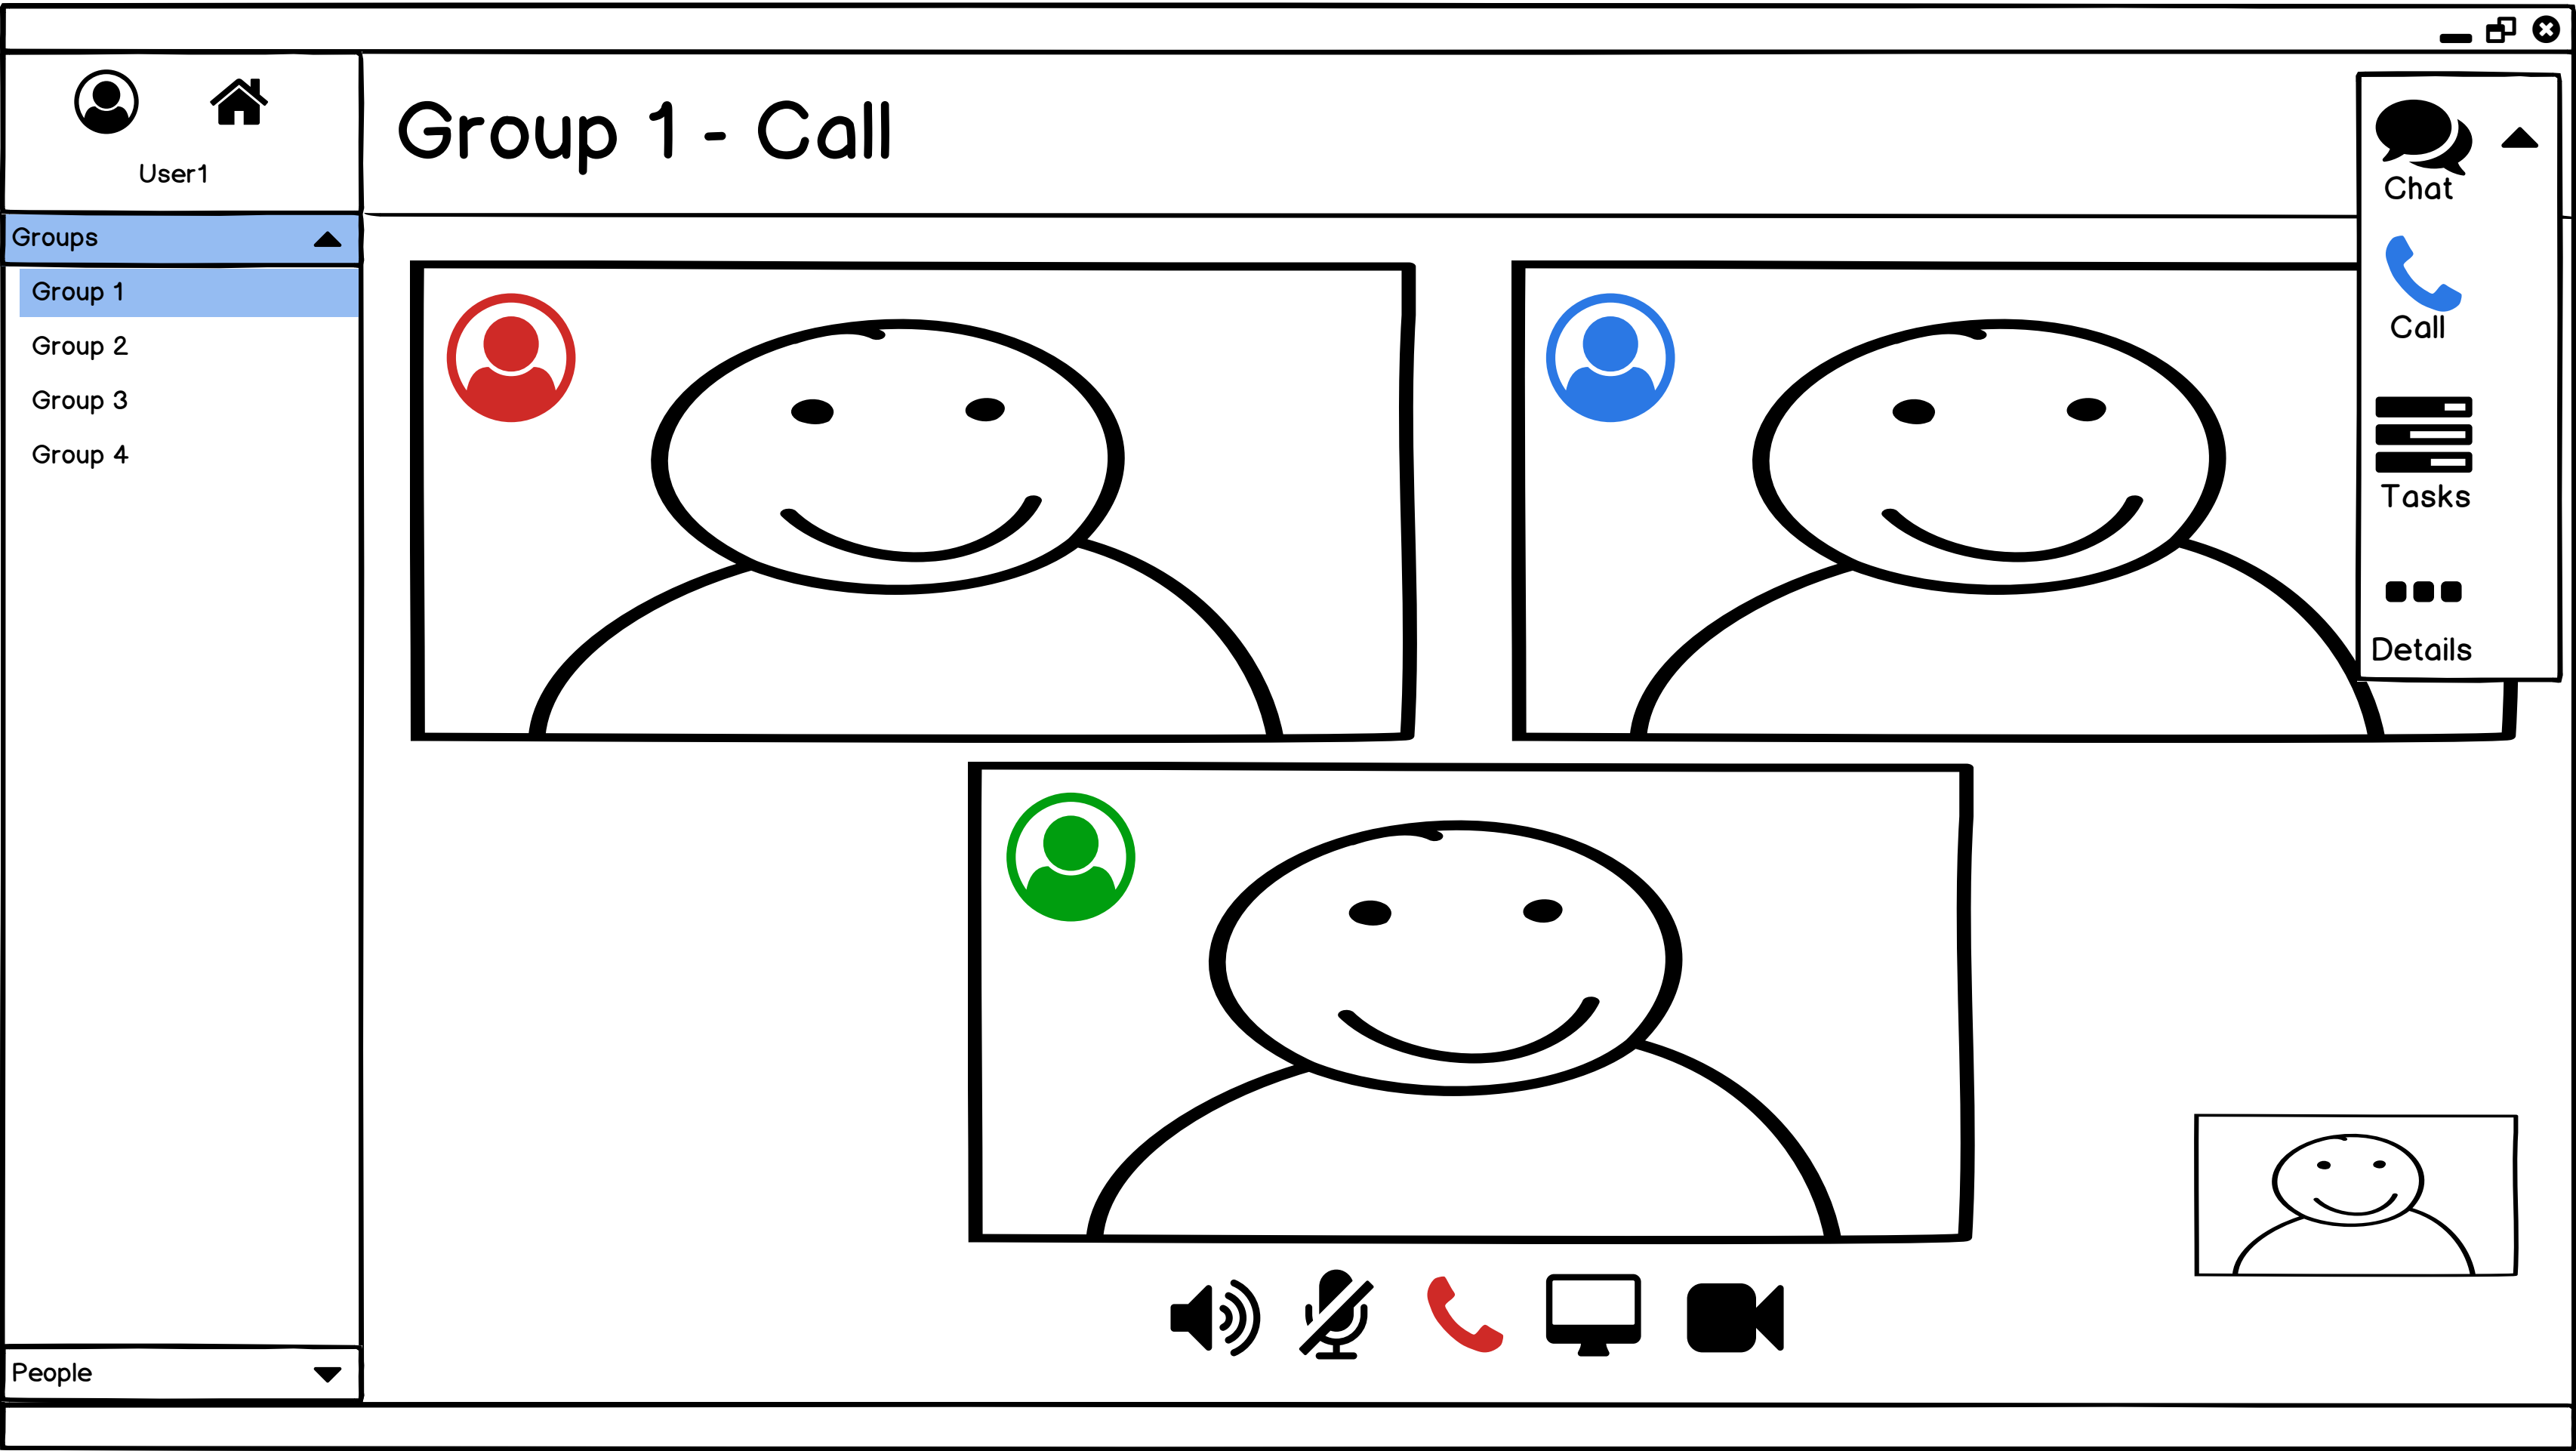

Clicking on the top-right icon produces a drop-down menu for access to other group features (a drop-down menu is used to reduce clutter).

The group call feature allows the user to video/voice chat with other members of the group. Each user's profile picture is displayed at the top left of their video (for clarity on which user is which). The user is also able to share screens with the desktop icon at the bottom of the screen, and toggle their camera with the camera icon. The user's own webcam is displayed in a small window at the bottom right.

Clicking on the top-right icon produces a drop-down menu for access to other group features (a drop-down menu is used to reduce clutter).
